From Principal's Desk

It is my great pleasure to say welcome to all to Raja Birendra Chandra

College, Kandi, Murshidabad.

The college is situated on the west bank of 'Shyamsagar', near 'Radhaballav Bari' of Rajbati premises in the heart of the Kandi town. It is hardly 5-7 minutes walking distance from Kandi Bus stand. The college has east facing look with natural

beauty as well as calm and quiet academic atmosphere. The college has been enriched with well qualified professors since its journey from 1965. A large number of students who have passed out from this institution were well settled in various government and private sectors. It is one of the best institutions in the district of Murshidabad.

At present the college is offering various subjects in Arts stream (B.A.) and Commerce stream (B.Com.) for both honours and programme course under the University of Kalyani (CBCS pattern). We have well qualified and motivated faculty members and experienced and cooperative ministerial staffs. We also have well equipped laboratory facilities (for Geography & Physical Education). The college Library has sufficient text books with access to both the students and teachers. The college has one Canteen and one Gymnasium for the benefit of the students. All students are welcome to this institution for their better future. With best wishes-

Brief History of the College

Raja Birendra Chandra College, formerly known as Kandi Raj College of Commerce was established in the year 1965 to cater Commerce education to the students of Kandi subdivision in particular and students of adjoining area of Kandi subdivision. Raja Birendra Chandra College of Commerce was first affiliated to the University of Calcutta. However, in 1998 it came under the University of Kalyani. Late Kumar Jagadish Chandra Sinha, the then President of Kandi Raj College of commerce trust and educational endowment of the Kandi Raj family donated Rs. 26000/- (twenty-six thousand) on behalf of the said trust fund for the proposed Raja Birendra Chandra College of Commerce. In this way the dream of establishing a Commerce college came to reality. When the college started its journey, it had no building of its own. Classes were usually held in the premises of Kandi Raj College in the evening. But thanks to all out efforts of the college authority, especially Sri Monoranjan Ghosh (Ex Teacher-in-Charge of the College). The college was shifted to its present site in the year 1998. But sharp declining in the number of students at that time raised question regarding the sustainability of the college. On the other hand, there was long term demand from the students and newly appointed teachers to introduce Arts stream at the degree level. Keeping those things in mind and to make the college viable the then college authority introduced general Arts stream at the degree level from 1998. Honours courses (in Bengali, History, Sanskrit, English and Geography) were introduced later on. From then the college was renamed as Raja Birendra Chandra College and started functioning as a full-fledged college for Arts and Commerce in the day shift. It is needless to say that introduction of Arts stream is a new era in the history of the development of the college. At present, the number of students on roll is nearly 2000.
